## BUSINESS SUMMARY

Ken Wilkinson, owner and operator of KENCON, Inc, is a Service-Disabled Veteran having served as a Combat Engineer during Operation Desert Shield and Desert Storm. A decorated Veteran, Ken earned many accolades including the Army Service Ribbon, National Defense Service Medal, Air Assault Badge, Army Achievement Medal and the Saudi Arabia Kuwait Liberation Medal to name a few.

Ken brings his dedication to country directly to his business and customers alike. Hard work, honesty and a gentleman true to his word, KENCON, Inc delivers!

## CAPABILITIES

Please welcome us into your pipeline, demolition, dredging and new construction projects. Our experience with the removal of large volumes of material, compaction and stabilization of banks and hillsides has given us an upper hand in projects throughout Western Pennsylvania and beyond.

Grubbing and clearing, tree and stump removal – we are here for your questions, consultation and contract work!

Out cost effective approach, dedication to job site safety, and cooperative attitude has created a mutual respect between our firm and the primes and subcontractors we work with on a daily basis.
